Test Case 1 for Predator CEO Quiz

By Renato Gusani – x19411076

Title: Playing the Quiz and answering every question correct

Description: The player will match every single question asked by having the cheat sheet PDF file which contains every correct answer

Precondition: Player will already know every answer which will result in the full score of 10

Test Steps:

1. Player starts the quiz
2. A CEO question is asked
3. Player answers correctly
4. Player does this for all 10 questions and wins with a score of 10

Expected Result: The player answers every question correctly

Actual Result: Answered every question correctly

Result: Pass

Questions	Correct	Incorrect	Expected Output	Actual Output	Result Pass/Fail
10	10	0	10/10	10/10	Pass

Test Case 2 for Predator CEO Quiz

Title: Playing the Quiz and getting every question incorrect

Description: The player will get every question incorrect by purposefully picking answer which is a different answer to the one on the cheat sheet.

Precondition: The player will not get a single question correct to achieve a total score of 0 in the end

Test Steps:

1. Player starts the quiz
2. A CEO question is asked
3. The player answers incorrectly
4. Player does this for all 10 questions and wins with a score of 0

Expected Result: The player answers every question incorrectly

Actual Result: Answered every question incorrectly

Result: Pass

Questions	Correct	Incorrect	Expected Output	Actual Output	Result Pass/Fail
10	0	10	0/10	0/10	Pass

Test Case 3 for Predator CEO Quiz

Title: Playing the Quiz with 2 players

Description: Once the quiz begins player 2 will enter a username and wait for player 1 to answer every question before player 2 answers the same questions

Precondition: Both players will play the quiz without any help

Test Steps:

1. Player 1 enters name
2. Player 2 enters name
3. Player 1 finishes answering all 10 questions
4. Player 2 finishes answering all 10 questions

Expected Result: Both players finish with a score of 10

Actual Result: Both player won with a score of 10

Result: Pass

Player 1	Player 2	Score	Expected Output	Actual Output	Result Pass/Fail
Yes	Yes	10	10/10	10/10	Pass
